## **SHIPPING AND DELIVERY INFORMATION**

- All customers are responsible for their freight charges.
- Usually, the only way to ship fireworks is via truck freight (Common Carrier).
- FedEx, UPS and the US Postal Service will not deliver fireworks. They can deliver certain Sparklers, Novelties and Non-Fireworks Items (See FedEx –US Postal Service below for more details). Please visit our website for a list of non-fireworks items that can be easily and inexpensively shipped.
- Sorry, we cannot send orders C.O.D.
- All orders will be shipped out as soon as possible, (usually within 3 business days, depending on the time of the season). Please note that June is our peak month and our shipping department is very busy, so order early to avoid delays. Also, you must allow for mailing and shipping time if you need to receive your order by a certain date.
- For shipped orders, a handling charge will be added to the freight charge. This will be 5% of the freight charge.
- We can, in some cases, deliver your fireworks using our truck. The charge for shipping on our truck depends on current fuel prices, the weight of the order, the distance we must travel and whether we can deliver multiple orders on a trip. We will provide a quote prior to shipping, but when using our truck, the minimum shipping charge is \$395.00.
- For shipment outside the U.S., call for shipping information.

### **TRUCK FREIGHT (COMMON CARRIER)**

- **The minimum shipping charge for truck freight is \$125.00** Shipping charges are determined by the weight of the shipment and the distance being shipped, but will not be less than \$125.00
- After you have placed your order, we can estimate your shipping/handling charge, so please call for a quote. Delivery usually takes 3 – 10 days.
- If you cannot have your shipment delivered to a business, you may be contacted by the carrier to pick up your order at a local trucking terminal. We have negotiated the best possible rates from the carriers and we make no profit from shipping and handling charges. Due to fluctuations in fuel and other related costs, we cannot publish rates. Special freight prices can be acquired for 28' "Pup" and 45' "Semi" Trailer load purchases.

### **FEDEX - US POSTAL SERVICE**

- Certain items are not classified by the Department of Transportation as Fireworks. Therefore, Federal Express and the US Postal Service can ship them to most anywhere. Their item numbers are as follows: 2000-2008, 2013-2014, 2300, 2301, 4700-4706A, (except 4702), 4709, 6000-6001, 9500, and 9501. However, all items (except 6000 and 6001) are subject to Hazardous Materials Delivery Charges if shipped by air.
- For FedEx - US Postal Service Orders, minimum shipping charge is \$5.00

## **SHIPPING PROBLEMS**

- If you have not received your order within 10 days of shipment, please notify us. If your order is lost or stolen, we will help you notify the freight company to trace your order. The freight company will reimburse you for any lost or stolen packages. If you refuse your order, no reimbursement will be made. All merchandise is carefully and securely packed before it is given to the delivery carrier. Once shipment is in the hands of the carrier, our responsibility ceases. If your shipment appears to be damaged upon receipt, please have the delivery agent make a notation stating that fact. Any delay may cause you a loss. We cannot honor claims for which a carrier is responsible. All claims for shortages and/or damages must be made with ten days of receipt of order.
