SHIPPING AND DELIVERY INFORMATION

Sparklers, Smoke Items and Novelties are not shippable as General Merchandise for Air Transportation.

All customers are responsible for their freight charges.

We ship all items in the least expensive way, either FEDEX, Freight, or US mail.

We have negotiated the best possible rates from the carriers and we make no profit from shipping charges. Due to fluctuations in fuel and other related costs, we cannot publish rates.

Sorry, we cannot send orders C.O.D.

All orders will be shipped out as soon as possible, (usually within 3 business days, depending on the time of the season). Please note that June is our peak month and our shipping department is very busy, so order early to avoid delays. Also, you must allow for mailing and shipping time if you need to receive your order by a certain date.

For shipped orders, a handling charge will be added to the freight charge. This will be 5% of the freight charge.

For FEDEX- US Postal Service Orders, our minimum shipping charge is \$5.00.

Truck Freight's minimum shipping charge is \$100 and delivery usually takes 3 – 10 days. Shipping charges are determined by the weight of the shipment and the distance being shipped. After you have placed your order, we can estimate your shipping/handling charge, so please call for a quote.

If you cannot have your UPS Freight shipment delivered to a business, you may be contacted to pick up your order at their local terminal.

For shipment outside the U.S., call us at 01.814.786.7995 for shipping information.

COBRA FIREWORKS FIRING SYSTEMS

All COBRA Firing Systems are proudly made in the USA and will be shipped directly to Kellners customers from the manufacturer. COBRA Firing Systems LLC ships all products in excellent condition with packaging designed to protect the systems during shipment. All COBRA firing systems are covered by a two year limited warranty which pertains to factory defects in components, assembly, and testing of any systems. This warranty does not cover accidental damage or damage sustained outside normal operating use.

Returns are accepted within 30 days of delivery providing the item is in new condition and has not been used or damaged in any way that would prevent re-sale of the returned product. Buyer is responsible for all freight charges in returning the system. Once the system is received and reviewed by COBRA as undamaged for re-sale, COBRA will reimburse the customer for all original charges not including tax and shipping.

SHIPPING PROBLEMS

If you have not received your order within 2 weeks, please notify us. If your order is lost or stolen, we will help you notify the freight company to trace your order. The freight company will reimburse you for any lost or stolen packages. If you refuse your order, no reimbursement will be made. All merchandise is carefully and securely packed before it is given to the delivery carrier. Once shipment is in the hands of the carrier, our responsibility ceases. If your shipment appears to be damaged upon receipt, please have the delivery agent make a notation stating that fact. Any delay may cause you a loss. We cannot honor claims for which a carrier is responsible. All claims for shortages and/or damages must be made within ten (10) days of receipt of merchandise.
